Join us for a Johnsonburg

Retreat Where:

We provide the program; you bring the youth and chaperones. Pastors relate that Johnsonburg retreats are one of the most effective ways of extending the Christian Education mission of their church. The topics are Scripture-based, afford time for youth to speak their minds; and offer opportunities to deepen relationships in all directions—with peers, with adults, and with God.

Financial Aid

Camp can reduce the fee for those participants whose family and church have already provided maximum assistance. Please talk with us about individual youth who need financial help beyond what the church can provide.

Housing

We will house you in our retreat buildings that sleep two to five people per room. For events in Spring and early Autumn, you may stay in our cabins (8 per cabin). Occasionally, overflow groups will sleep at Camp Hope, four miles away. It will help for you to register as early as possible.

Youth Retreat Supervision

We will not be able to accommodate groups that do not have at least one advisor of the same gender as the members of their group. We require one advisor for every six youth. Example: If you have one girl and seven boys in your group, we ask that you have at least one male and one female advisor. Advisors are responsible for the supervision of their youth throughout the retreat. We suggest that you reiterate with your kids that anyone found possessing or using drugs, alcohol, or tobacco will be sent home immediately, without refund.

Refund Policy

Full refund of your deposit is available if you cancel at least one month prior to the event. If your number of participants drops we will apply those deposits against your balance ONLY if you call to update your numbers two weeks before the event. We recommend that you get your participants to pay the \$20 deposit up front. This helps youth take responsibility for themselves and keeps the church from losing deposits for youth who drop out late.
