

# Looking for a retreat spot this summer?

## Camp Johnsonburg may be the place for you!

Like to spend time with your youth group during the summer? For the first time ever, Camp Johnsonburg is hosting church youth group retreats while summer camp program is running. Your group will be led by your own adult chaperones, will stay in Johnsonburg's year round retreat lodge(s) and run your own program. You'll also be

able to take part in a variety of camp activities like swimming, boating, archery, and high ropes to name a few.

If mission work is more your youth group's thing during the summer, we can help with that as well. Your group can stay on site and do mission projects here, or we can help you identify some needs in the local community. Then head back to camp for a dip in the pool and fellowship around a campfire. Sound good? If you are interested in this opportunity, please don't hesitate to be in touch with us!

### Housing

Youth groups will stay in one of our comfortable lodges. Each lodge has six bedrooms, four bathrooms and holds up to twenty four participants. There is also a meeting room in each building. We have set aside two lodges this summer for this special program.

### Dining Options

- A) Groups can eat in our dining hall and enjoy the expertise of the camp kitchen.
- B) Another option is for groups to prepare their own food in the lodge kitchenettes

### Prices

Costs for this program vary depending on the length of stay, number of people attending and the dining option chosen by the group. Additional costs may be added for the ropes courses and any specialty resources required. Please call for prices, available dates, and reservations.
