Mission Council Mission Statement (from Standing Rules) - *Read Together*

The Mission Council is the coordinating body that implements the vision of Newark Presbytery and the great ends of the church by calling forth people to support, strengthen and transform congregations, by providing direction, ideas and spirit with passion and imagination.

The Mission Council acts as the strategic planning and evaluative body to receive, prioritize and develop new initiatives that further the mission of the Presbytery in service to its member congregations. In addition, the council serves as a resource for training and education for congregations seeking assistance in these areas. New mission proposals are recommended by the Mission Council to the Presbytery for action.
